## Gwalia Male Voice Choir

The Gwalia Male Choir was formed in 1967 and is thirty-strong. We have a varied repertoire ranging from traditional Welsh songs and opera choruses to songs from the shows. Celebrating its 51st year, the choir recently sang on the pitch ahead of the Wales v. New Zealand rugby match and will be touring in France in celebration of the end of WW1 later this year. Find out more about the Gwalia, and download our latest recording: [www.gwaliafemalevoicechoir.org.uk](http://www.gwaliafemalevoicechoir.org.uk). New members always welcome.
